

## **PANELISTS:**

**Norbert Crabtree** – Elliott Davis PLLC  
**Mike Dodson** – Cox Schepp Construction Inc.  
**Allison Edgar** – Parker Poe

*“The What, How, and Why of Sustainable Development”*

*The energy-related terms “green”, “LEED”, and “sustainability” are frequently tossed around with the word “business”, but a lot has changed in the last year. Are you ready to take advantage of the newest reforms and legislation? You have to stay informed to stay on the cutting edge.*

*Join CREW Charlotte and our panel of experts regarding the what, how, and why of sustainable development. We’ll explore the newest trends in energy policy, sustainability and technology, and the financial impact on the bottom line.*
