CREW Connect

News and updates from CREW Charlotte

From the President

Did you know that your donations to CREW Foundation helps make CREW Network remain the leading publisher of research on women in commercial real estate? This research helps close the compensation and advancement gap for women. We now **need your help** to gauge the progress women in commercial real estate have made over the last five years.

In partnership with MIT's Center for Real Estate, CREW Network has launched its third benchmark study and is asking members to complete this brief **survey**.

CREW Network's benchmark studies are conducted every five years and are critical to measuring the health and progress of our industry. Not only do they allow CREW Network to track the progress of women, but they also serve as the most extensive research to date on compensation and career satisfaction – for both men and women – in commercial real estate.

CREW members, our June lunch meeting is targeted as CREW Charlotte's first ever **Bring Your Intern to Lunch** event. We are encouraging all our members who have an intern this summer to invite them to join you at the June luncheon. By hosting your intern for the luncheon, you allow them to participate in one of our excellent program events as well as expose them to the great networking opportunities within CREW. We will provide them with a "student" ribbon for their name badge, have a small gift for them to take home, and plan to acknowledge the interns and your company during the announcements. Please be sure to provide your intern's name to [Patty Drummond](#) so we will be able to identify them during the lunch. If your intern is a student, you can contact Patty to receive the \$35 student luncheon rate. If you have any questions, contact one of the UCREW Committee Chairs - [Liz Ward](#) or [Ann Erickson](#).

Please contact [Patty Drummond](#) with your career updates.

Thank you to Irene Suchoza of Gantt Huberman Architects, a Bergmann Company, for the lead to a church client needing furnishings quickly for their gathering area. Not only did Irene entrust me with a new client but the client is also one of Irene's friends. This is an even greater compliment.
