Future Charlotte:
Building a Vision
Breakfast Forum

FROM THE PRESIDENT

The core mission of CREW Charlotte is to **influence the success of the commercial real estate industry by advancing the achievements of women.** We have a tremendous focus on member to member business, with many of our members looking to support our sponsors as the first line in reaching out. Our website offers a venue to share these experiences, and there are over 60 posts for 2014 acknowledging member to member business and referrals....and these are only the ones that are posted.

As we welcome our new members and sponsors each year, the common question we receive is how to make CREW work for them. Jean Russell, Account Executive with Interface and a three year member and sponsor company, summed it up perfectly at the Sponsor Appreciation Breakfast this month. While she has won some nice projects through CREW, she stressed that "more important to me, was being able to bring my CREW friends in on these deals." Focusing solely on increasing your own business is a common mistake made. **Changing your focus on helping others first is the key to making CREW work for you.**

I challenge you all to take time to connect with a sponsor member or fellow member you haven't met yet. Learn about their business and how you can help them. As Jean put it, **"Find a lead to give a CREW friend today. It will come back to you."**

HIGHLIGHTS

Time to Wear Pink!

The CREW Charlotte Queen City In Pink committee invites everyone to wear pink at the next CREW Charlotte luncheon on September 9. As we build breast cancer awareness one building at a time in the Queen City, let's also show our personal solidarity with the cause!
