FROM THE PRESIDENT

As we enter the fourth quarter of 2014, it is a great time for reflection. Are the things I am doing today helping me achieve my business goals? Have I made the most of my CREW Charlotte membership and sponsorship? Have I really given what it takes to receive business from another CREW member?

Attending our monthly luncheons and events are a great way to meet a lot of our members, but getting involved at the committee and leadership level is how you build a connection. At the local chapter level, we have nine different committees with varying ranges of commitment required. I strongly encourage you to visit our website and find a committee that fits your skills and interest.

If your footprint goes beyond the Charlotte market, I would encourage you also to consider getting involved on a CREW Network national committee. Participation at the Network level will provide you an opportunity to meet some amazing women while increasing your leadership skills and expanding your network.

The CREW Network national committees are...

- Audit Committee
- Communication and Editorial Committee
- Finance Committee
- Industry Research Committee
- MEC: Convention Program Planning
- MEC: Leadership Program Planning

For a full description of each committee, please [click here](#) and click "Review the 2015 committee charges." If you are interested in joining a committee, [please click here and submit your committee interest form](#). The deadline for submitting your committee interest form is **September 30th**.

My hope is for all of our members to understand the power of CREW and benefit from the amazing connections they will make. Don't miss the opportunity to participate. Find a local or network committee that works for you. You will be amazed by the connections you will make and the growth that will follow.

HIGHLIGHTS

Time to Wear Pink! The CREW Charlotte Queen City In Pink committee invites everyone to wear pink at the next CREW Charlotte luncheon on October 14. As we build breast cancer awareness one building at a time in the Queen City, let's also show our personal solidarity with the cause!

We are excited to announce that CREW Charlotte has joined **Instagram** (instagram.com/crew_charlotte)! Please take pictures of any buildings participating in Queen City in Pink and tag them to our account using [@crew_charlotte](#) and [#QCIP](#).

The Mentor Committee wants to personally encourage you to apply to be a part of the **CREW Mentor Program**. You can apply to request a mentor (you would be the mentee!) or be an actual mentor. The application only takes a few minutes. You can apply by following this link - <http://www.crewcharlotte.org/resources/mentor-program>. Our goal is to provide a meaningful program for all parties involved, and we seek to focus on everyone's needs. Our mentors will be a mix of both seasoned CREW members and non-CREW members in an effort to properly pair individuals.

If you know of a person who wants to be a mentor and is not a CREW member, please let us know. We also have included a list of resources for you all to enjoy on the CREW Mentor Program website! If you know of a book we should add, by all means, let us know. We look forward to offering this to you and continuing our mission to successfully influence the success of the commercial real estate industry by advancing the achievements of our members. If you have any questions, please do not hesitate to [Holly Alexander](#) or [Becky Lindahl](#).

Membership is now being offered at a **special mid-year rate of \$200 + \$25 application fee**. This rate will cover membership through the remainder of 2014. For more information or to apply, please [click here](#).

Don't forget to follow CREW Charlotte via **social media!** Please like us on **Facebook** (facebook.com/CREWClT), follow us on **Twitter** (twitter.com/CREW_Clt) and **Instagram** (instagram.com/crew_charlotte), and join our group on **LinkedIn** (CREW Charlotte Group).

On the **CREW Charlotte website**, set up your preferences so you can receive instant notifications of new members making deals, announcements, new business opportunities, new job opportunities, etc. Go under member resources and click on "preferences" to set up.
