FROM THE PRESIDENT

What a great way to kick off 2014! Our first luncheon for the year was a huge success and all of our committees are off to a great start. Over the last few months, the 2014 leadership team has been working very hard to define and set strategic goals for the upcoming year. I have been very impressed with the plans each committee has set for themselves and I am excited to watch how our chapter will advance over this next year as these goals are put in place and implemented.

Whether you are a new member to CREW Charlotte, or returning to us for 2014, I strongly encourage you to find a committee to connect with. Our committee work ranges from event planning with Casino Night, to Chapter advancement efforts with Membership, Sponsorship, Programs or Communications, as well as our community outreach efforts with UCREW, Mentor, Queen City in Pink and Network. Some of the best connections have been made through committee work. Please visit our website under the "About Us" section to learn more and find a good fit for your strengths.

The mission of our chapter is to influence the success of the commercial real estate industry by advancing the achievements of women. One of the ways we support this mission, is to highlight our members through community award nominations. Our Leadership Development Committee is currently in the process of identifying nomination opportunities for the 2014 award season, including the Charlotte Business Journal Women in Business and 40 Under 40 awards, among several others. If your company is planning to nominate you for an award this year, or you feel you would be a good fit, I encourage you to take a moment to own your hard work and allow us to spotlight your achievements. We all work hard and deserve to pause for a moment and recognize that!
