From the President

Welcome 2017! Our first luncheon of the year was a success, challenging 150 of our members and guests to consider the built environment around them in their health and wellness goals for the new year. Although we

introduced a new leadership team at the luncheon, each committee has been working hard behind the scenes to set strategic goals and action items ensuring that we can hit the ground running. I'm truly excited to see our chapter continue to grow and reach new goals!

Whether you are a new member, or returning to CREW Charlotte for 2017, I encourage each of you to find a committee to connect with. With focuses like event planning, member value, community outreach, mentoring and social media, we have a committee that will challenge and engage your interests. Joining a committee is one of the best ways to get the most out of

your membership. We are thrilled to host our second annual Committee Fair on February 14th, prior to the luncheon. We will have representatives from each committee in attendance, offering a one-stop information shop. Regardless of how long you've been a member, I encourage you to join us and learn more about the great work our committees do.

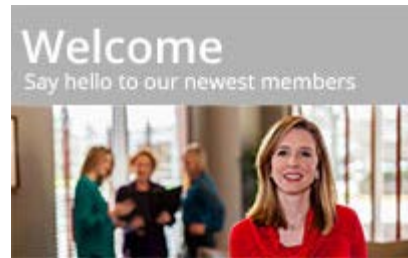

This month kicks off our inaugural *Becoming an Authentic Leader* program. Through a collaborative partnership with KPMG and ATHENA International, we developed an innovative program for female professionals that is geared toward guiding each participant to develop their individual style as an authentic leader. CREW Charlotte couldn't be more proud of the work that our Leadership Program Committee has done over the last year to prepare. I encourage each of you to connect with one of our 26 participants and learn more about the program. This is a great example of our continuously expanding offerings to provide enhanced member value!
