MEMBER SPOTLIGHT

FROM THE PRESIDENT

I am thrilled to announce the launch of our new newsletter. I hope you enjoy reading through it and gaining valuable information. We have had a tremendous start of the year and I cannot believe that it is already the second quarter. Lou Ann Dent, a CREW Network Board Member and Vice President at Wells Fargo visited us at the President's Reception. She left us with a lot of insight into CREW as a national organization and how to make the most of your membership. The one thing that really stuck out to me in her presentation was this...do not be afraid of risk. It is easy to become complacent with your job and your life. Challenge yourself and surround yourself with people who challenge you to be a better person in all facets of your life. Thank you all. I am so proud to lead this amazing organization.
