May 2016

From the President

CREW Charlotte is an organization that gives back...The Community Outreach, UCREW and Network committees have been busy contributing to the advancement of women

in many ways.

We kicked off our **2016 Network Foundation Ask** and are very close to hitting our Chapter goal! Our Chapter Goal consists of 3 parts: 100% board and leadership participation (completed!), over \$1,000 donated by our chapter (completed!), and *over 50% of our membership making a personal donation to the Foundation* – we are working toward this last milestone now. We have been very fortunate in Charlotte to have four CREW Network Scholarship winners and see first-hand how our donated dollars turn into opportunities for young women in commercial real estate. Thanks to Olivia Neal and Adrienne Bain for sharing with

the chapter how the CREW Network scholarship influences the lives of young women. If you were not able to attend the recent luncheon or have not already donated to CREW Foundation this year, I ask that you please consider making a donation in support of our mission.

Through in-kind donations from Carolina Site, JD Goodrum General Contractors, Radco Roofing and WARCO Construction, CREW Charlotte is providing concrete, drywall, roofing materials and other building materials to the Habitat for Humanity Women's Build. We will also be assisting with the Women's Build with the drywall and painting processes. If you would like to help out, please sign up for the June 3 or June 18 build dates. We also have other sponsor build dates available if these conflict with your schedule.

Thanks for your generosity with the Dress for Success clothing drive. Our chapter recently donated 564 items to help women look their best as they pursue their career goals!

The UCREW committee is hosting our **2nd Annual Bring Your Intern to Lunch** event. We are encouraging all our members who have an intern this summer to invite them to join you at the June luncheon. By hosting your intern for the luncheon, you allow them to participate in one of our excellent program events as well as expose them to the great networking opportunities within CREW.

Thanks again for all you do to give back to the community and the youth to further careers in commercial real estate.

Due to the mid-year membership rate, we won't welcome new members again until July.

Please contact [Patty Drummond](#) with your career updates.

Highlights

This year, for the very first time, CREW Charlotte will be partnering with **Habitat for Humanity in the 25th anniversary of the Women Build initiative.**

What started as a casual conversation among a group of Charlotte women in 1991 has grown into an international movement. CREW Charlotte is looking forward to contributing to the 2016 Women Build houses. We will have two build days available for the women and friends of CREW Charlotte: Friday, June 3rd and Saturday, June 18th. We encourage you to volunteer for a rewarding day that allows you to give back to the community and help a family have a home. Please [click here](#) to register and contact [Nancy Everhart](#) or [Jennifer Bickett](#) with questions. If those dates conflict with your schedule, reach out to [Nichole Kelley](#) to help on Wells Fargo build dates: Friday, June 3rd and Friday, June 10

Our June lunch meeting is targeted as **CREW Charlotte's SECOND annual Bring Your Intern to Lunch** event. We are encouraging all our members who have an intern this summer to invite them to join you at the June luncheon. By hosting your intern for the luncheon, you allow them to participate in one of our excellent program events as well as expose them to the great networking opportunities within CREW. We'll provide them with a "student" ribbon for their name badge and will have a small gift for them to take home. Also, we plan to acknowledge all interns and your companies during the announcements. To register your intern, please contact [Patty Drummond](#) to receive the \$35 student luncheon rate. If you
