FROM THE PRESIDENT

As a non-profit organization, CREW Charlotte relies on your support to help us continue our mission and run an efficient operation. If you are interested in sponsoring CREW Charlotte in 2012, email executive@crewcharlotte.org for more information.

Here is the Value of Your Investment:

Affiliate your company with meaningful outreach initiatives - we host on average 3 outreach efforts per year including raising funds for scholarships (Casino Night), educating young women on the various fields in commercial real estate (CREW Careers) and bringing awareness to breast cancer (Queen City in Pink).

Position your company as a leader in diversity and the advancement of women in commercial real estate.

Broaden recognition of your company with 225 members and over 160 attendees on average at monthly meetings

Build loyalty in a highly prized target market because CREW referrals help get deals done.

Increase your business opportunities. Network's recent annual survey of members indicated that more than 72% of members have received or given a referral to or from another member.

Gain Exposure to 8000 commercial real estate professionals in over 75 major markets across North America.

Thank you to all of our 2011 Sponsors and those who have already committed to 2012. We could not do this without you!

OCTOBER LUNCHEON SUMMARY**Perspectives of Commercial Real Estate: A Discussion of Local and National Opportunities**

Who you missed:
Steve Gassaway, Regional Managing Principal at Cassidy Turley and Louis Stephens, Managing Director of Jones Lang LaSalle.

What you missed:
Steve Gassaway and Louis Stephens discussed Charlotte's ability to attract more industries to create headquarters in the area. Unbeatable transportation options, pro-business environment, available work force, and quality of life continue to make Charlotte a top choice for corporate relocations. Gassaway and Stephens had different viewpoints, however, regarding what institutional investors are doing: Gassaway stressed that multi-housing would be the focus with office space lagging behind, while Stephens emphasized that investors are still chasing core properties without seeing much in the secondary markets.

Why:

- Charlotte is in the top 5 US cities considered for relocation by corporate headquarters
- The 4th quarter market is somewhat undefined as there has not been enough to sell in order to define it. Both Gassaway and Stephens remain optimistic that there will be movement in the marketplace.
