

# Get Ready To Roll The Dice At 11<sup>th</sup> Annual Casino Night

April 27 event helps CREW Charlotte raise funds for scholarships in commercial real estate

**CHARLOTTE** — CREW Charlotte – the local chapter of the national networking organization dedicated to advancing the achievements of women in commercial real estate – is preparing for its 11<sup>th</sup> annual Casino Night. The event is set for Thursday, April 27 at LACA Projects from 5:30 until 9:30 p.m.

The event promises to be an exciting, entertaining night of casino-themed fun, including thousands of dollars in play money vouchers, food, drink and networking, says CREW Charlotte Executive Director Patty Drummond.

Event proceeds support scholarships for students pursuing a career in commercial real estate. CREW Charlotte also donates proceeds to the CREW Network Foundation, and that organization awards 15 scholarships annually to female students across the United States.

The event, sponsored by smartCEO and co-chaired by CREW members Mellissa Oliver of Land Design and Megan Shaw of CohnReznick, is \$95 per person for CREW members and \$120 per person for non-members if tickets are purchased before April 20. Prices increase to \$120 per person (members) and \$145 (non-members) after April 20.

A “high roller” ticket is available for an additional \$25 and includes an additional drink ticket and play money vouchers. Attire for the event is “anything goes,” Drummond says. “Everything from business attire to cocktail is appropriate.”

Raffle tickets are \$10. Prizes include two tickets to the PGA Championship in Charlotte or two nights in a mountain cabin in Pigeon Forge, Tenn. In addition, event organizers have secured a weekend stay at a Lake James vacation house that sleeps 12 to 14. The prize is valued at more than \$1,250.

Founded in 1990, CREW is the commercial real estate industry’s premier business networking organization for women. More than 10,000 CREW Network members represent nearly every discipline within the commercial real estate industry globally and have a presence in more than 70 major markets.
