From the President

I want to personally thank each of our sponsors for a fantastic Casino and Gaming Night this past Wednesday. Thank you to **Master Title Agency, Mecklenburg Paint Company, Platinum Coating of NC, Radco Roofing, SGA|Narmour**

Wright and **State Building Services** for sponsoring our "fun" raiser event. Also, a huge shout out to **Live Nation** and **Mike Schrum** with **Terracon** for their generous donations for our live auction and raffle. This was our 13th year hosting Casino and Gaming Night and each year we raise more funds to provide scholarships to deserving young women wanting to build a career in commercial real estate. Thank you to all who attended, bought raffle tickets and bid on the live auction. A special thank you to

through!

Several CREW Charlotte members recently attended the CREW Network Winter Leadership Summit in New Orleans. Not only did we enjoy a taste of the upcoming Mardi Gras excitement and fantastic food, we also learned much about what is going on at the Network level. For 2019, CREW Network has committed to provide twenty scholarships to undergraduate and graduate students working towards careers in commercial real estate through the [CREW Network Foundation scholarship program](#). With the help of our generous donors, we were able to award twenty \$5,000 academic scholarships to young women in 2018. Our very own Ashli White, a Queens University student, was a 2018 recipient of a CREW Foundation scholarship. Please consider the impact a scholarship can have on a young woman's life as you make a meaningful monetary contribution toward the [Foundation ASK](#).

In addition to providing scholarships for our students, CREW Network has launched a sponsor-driven internship site. Check out the [internship site](#) for additional information.

If you haven't attended a CREW Network Summit, you have two more opportunities to attend this year: June 6-7 in Kansas City and again at the CREW Network Convention in Orlando on September 25-26. Registration for the convention will open in mid-May, so be on the lookout! For additional information, please reach out to
