September 2018

From the President

As we enter the 4th quarter, it's a great time to ask yourself whether you're getting the most out of your CREW Charlotte membership. Have you attended a luncheon or before hours event? Did you bid on items at ABC Networking or roll the dice at Casino & Gaming Night? Have you served on a committee or volunteered for a community outreach project? Whether you're looking to expand your network, enhance your knowledge or serve our community, there's something for everyone in CREW Charlotte.

Adrienne Bain

And, our reach extends beyond the local area. CREW Charlotte is one of 74 chapters of CREW Network, a global organization with more than 11,000 members in over 70 major markets worldwide. Your CREW Charlotte membership grants you exclusive access to all of CREW

outreach.

When you assess the value of your CREW Charlotte membership, consider whether you're taking advantage of everything we have to offer. Attend a CREW Charlotte event and make a new CREW connection. Nominate yourself for an industry award. Post your member-to-member business on our web site. Register for our speaker's directory. There are even opportunities to get involved at the CREW Network level. If you're interested in serving on a CREW Network committee in 2019, [click here](#). But hurry, applications are due by 6pm eastern time on Friday, September 28th.

If you're looking for a quick, easy way to engage, I encourage you to participate in [Queen City in Pink](#) [see article below for more information or contact community outreach co-chairs [Mary Sullivan](#) (Little) and [Ellen Palmer](#) (Pinnacle Financial Partners)]. In addition to turning the city pink, you can help us get the word out about potential connections between commercial real estate and cancer. If you or someone you know is familiar with work place strategies for people suffering from cancer, ways to use real estate to fund cancer research and treatment, innovations in healthcare real estate or any other relevant CRE connection, contact [Patty Drummond](#). We have an incredible opportunity for people interested in writing brief articles for publication in a special insert in the Charlotte Business Journal. But, please reach out in the next few days. Our deadline is fast approaching!

Highlights

CREW Charlotte is partnering with the business community to decorate the [Queen City in Pink](#) during October, Breast Cancer Awareness Month. We are asking owners and tenants of Charlotte properties, buildings, and fountains to participate in [Queen City in Pink](#) by turning them pink, whether by illumination or other pink displays.
