ABOUT **NAWIC**

THE LEADING ASSOCIATION FOR WOMEN IN CONSTRUCTION

The National Association of Women in Construction (NAWIC) originated as Women in Construction of Fort Worth, Texas. Sixteen women working in the construction industry founded it in 1953. Knowing that women represented only a small fraction of the construction industry, the founders organized NAWIC to create a support network for women working in a male-dominated field. Women in Construction of Fort Worth was so successful that it gained its national charter in 1955 and officially became the National Association of Women in Construction.

Today, NAWIC is still based in Fort Worth and has over 115 chapters throughout the United States that provide its members with opportunities for professional development, education, networking, leadership training, public service and more. NAWIC continues the vision of its founding members by advocating for the value and impact of women builders, professionals and tradeswomen in all aspects of the construction industry.

Our Core Purpose: Strengthen and amplify the success of women in the construction industry.

Our Mission Statement: The association is committed to championing women to impact the direction of the construction industry. NAWIC provides education, community and advocacy for women.

WHEN YOU SUPPORT NAWIC YOU ARE ALSO **SUPPORTING**

In addition to support women in the industry both at a local level and national level. NAWIC is proud to support women and youth looking to engage and gain knowledge about available careers in construction.

NEF EDUCATION FOUNDATION

NEF provides education opportunities and programs to benefit and promote the construction industry. "Educating the construction industry today...and tomorrow."

NEF also supports Block Kids Building Competition a National building competition that is sponsored by NAWIC. The award-winning program introduces children to the industry and promotes careers in the industry.

PROFESSIONAL MENTORSHIP COMMITTEE

Empowering Emerging Professional Women is a mentorship program in the Construction Industry to maximize their impact on the job.

This committee's goals are to help NAWIC chapters attract, retain, and bring value to the women who are new to the construction industry.

SCHOLARSHIPS

The NAWIC Founders' Scholarship Foundation (NFSF) assists in providing the construction industry with trained employees through higher education.

Each year we are pleased to award over \$100,000 to worthy recipients in construction-related programs. Award amounts range from \$500 to \$2,500. Some local chapters award scholarships as well.
